GREENSPIRE

CLUB PRESENTATION

GROWING KNOWLEDGE, INSPIRING INNOVATION

WelcomeToGreenspire 2025/2026

Together, we grow greener and smarter 

GREENSPIRE

**“Great things grow from small
seeds — and today, we plant a
new season.”**

**We are the first scientific club
here fully dedicated to food
science, nutrition, and agrifood
industry. But our spirit? It goes
beyond labs — it's about teamwork,
creativity, and building confidence.**

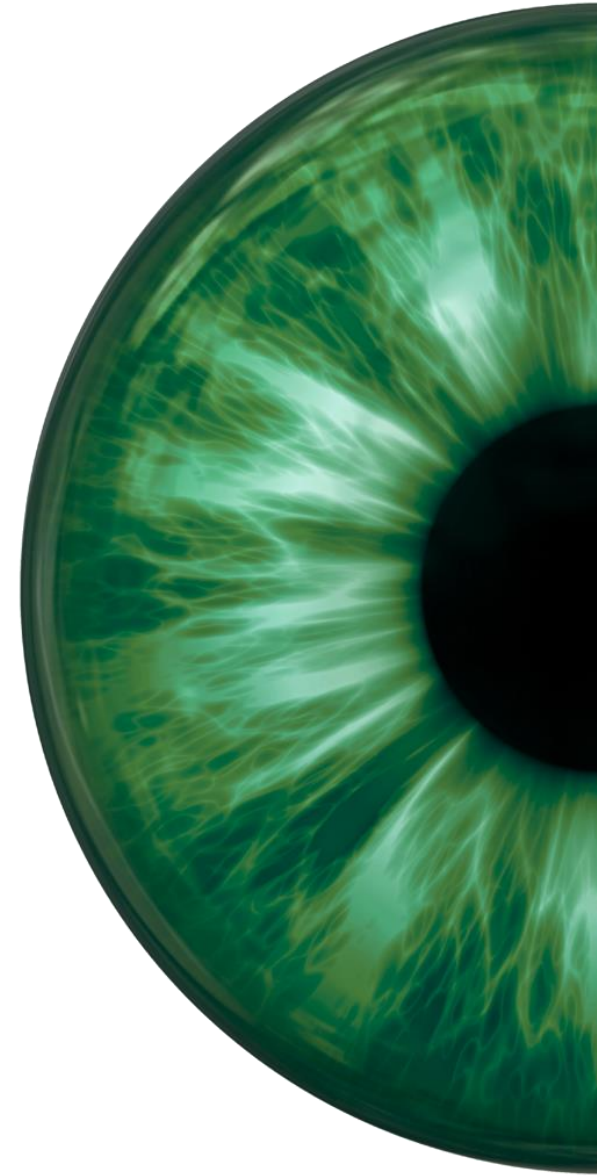

“From an idea to a growing community.”

Founded in November 2025

- Open Day success**
- New teams formed!**

Vision: To be a space where knowledge and innovation grow together.

Mission: To connect students, science, and creativity to shape the future of food science.

Our Values:

- **Scientific Curiosity**
- **Sustainability**
- **Teamwork**
- **Creativity**
- **Responsibility**

What We Achieved So Far

Highlights from 2024/2025 ✨

- Food innovation workshops
- Campus environmental awareness day
- Partnerships with local producers
- Student projects presented at university events

Our Objectives

“Our goals are simple but powerful:

To spark
innovation and
research in food
science.

1

- To give you professional-level workshops — the kind you'd find in real companies and factories.

2

- To offer trainings in languages, IT, management — all the tools that make you stand out.

3

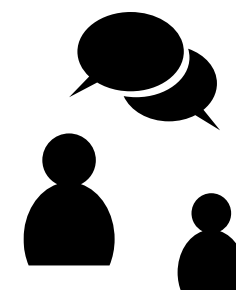

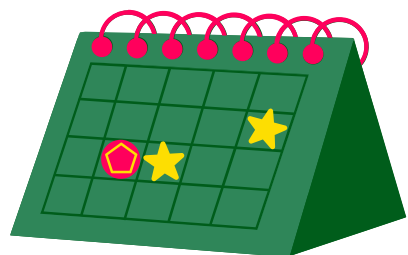

- To create an environment where teamwork is not just a word, but a habit. ●

4

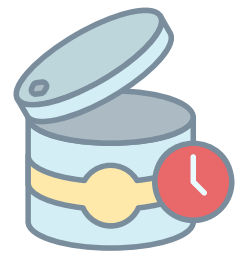

Overview of Greenspire's Departments

Our club is built on 5 departments 🍀

**Each one plays a unique role — but
together, they form one strong team.**

Choose the path that inspires you 🌿

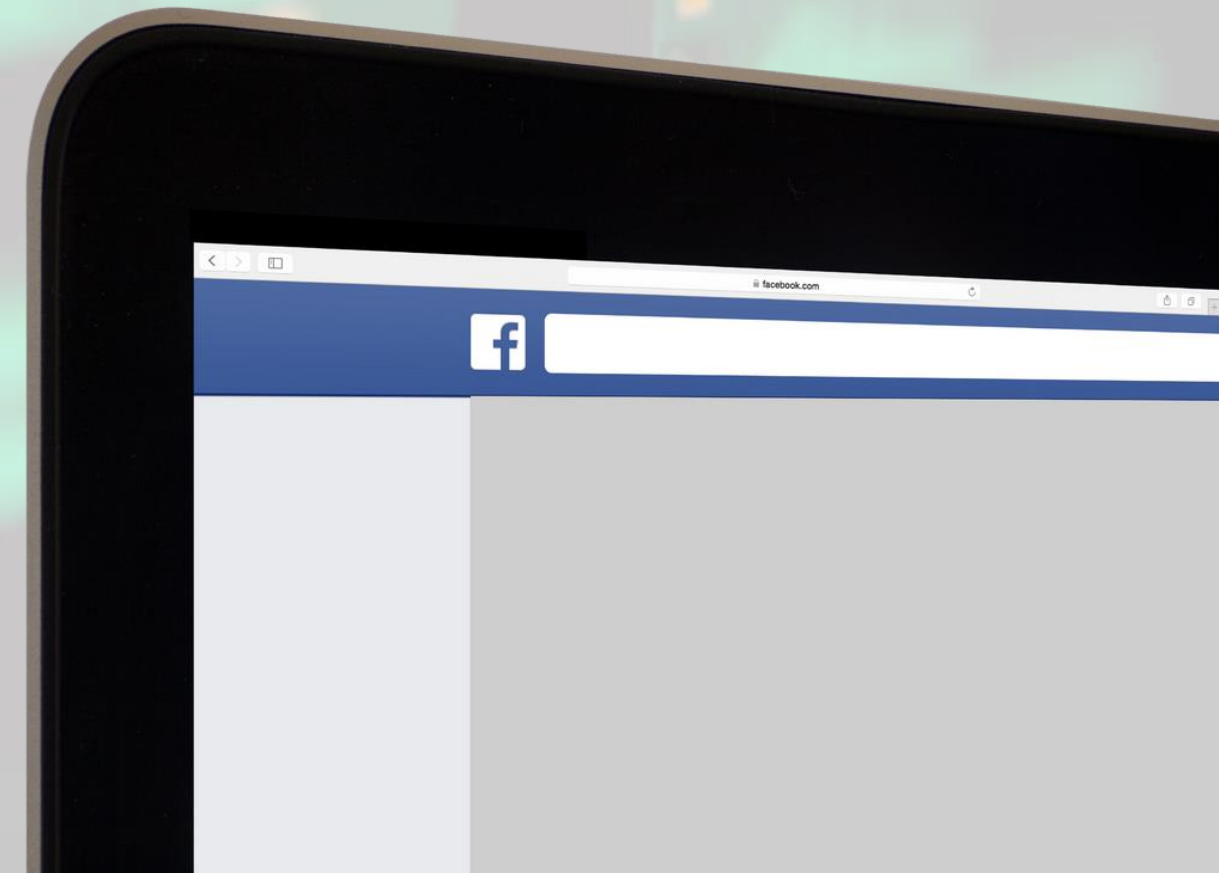

Workshops, Innovation & Product Training:
“The beating heart. From first-year discovery
to advanced product development — this is
where ideas become reality.”

Media & Communication:

**“The voice and face of Green Spire.
Here, you learn design, video, IT, and
public speaking. Perfect if you love
creativity.”**

External Relations & Pedagogic Outings:

“Our ambassadors. We connect with other universities, clubs, and companies. And yes — you’ll get to visit real factories and production units.”

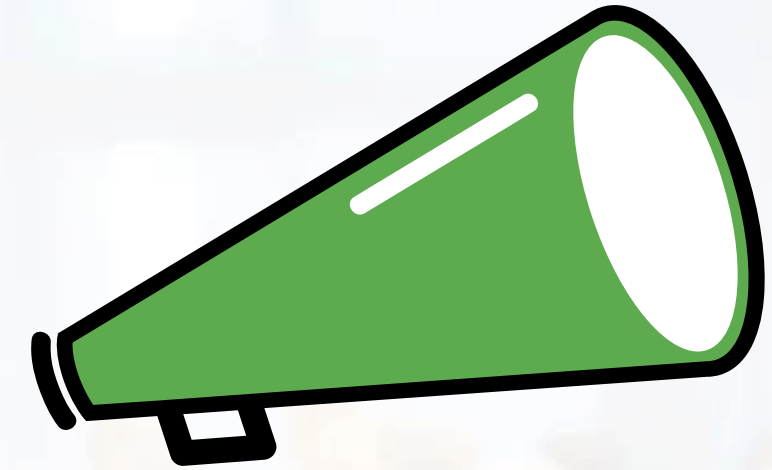

Internal Relations & Language Development:

“The bridge inside. Here we strengthen our teamwork, boost confidence, and improve languages — Arabic, French, English.”

Events, Meetings & Planning:

“The organizers. Every conference, training, or cultural event you see? They make it happen — with precision and professionalism.”

This season's goals:

- **Strengthen teamwork & inter-department projects**
- **Launch 3–4 major workshops**
- **Build 2 external partnerships**
- **Introduce a new Greenspire training series**
- **Highlight members' work through media**

Planned activities:

- **Scientific workshops & innovation challenges**
- **Campus awareness campaigns**
- **Educational trips**
- **Collaboration with other clubs**
- **Greenspire Day (end-of-year event 🧪🔬)**

Explanation of the Internal Regulations

“Discipline is the bridge between goals and achievement.” – Jim Rohn

- **Greenspire’s rules exist to protect respect, responsibility, and teamwork.**

Key Points from the Regulations

- ◆ Attendance & Punctuality
- ◆ Active Participation
- ◆ Respect & Professionalism
- ◆ Responsibility & Communication
- ◆ Confidentiality
- ◆ Evaluation & Promotion Opportunities

“Greenspire is not just a club — it’s a mindset.”

Let’s make 2025/2026 an inspiring season!
